2010 Wish List

Moravian Manor residents have diverse and ongoing interests. Among them are the arts, continuing education, social and community awareness, religion, wellness (mind, body and spirit) and lifestyle.

The items listed in this brochure are some of the items that will assist Manor staff in helping residents continue to pursue interests, perhaps begin something new, maintain a high quality of life as they reside in the Manor community, and continue to experience a connection with the larger community beyond the Manor.
